Dear Editors,

I declare that I have no relevant or material financial interests related to the research described in our submitted manuscript, “Cool Cities: The Value of Urban Trees”.

Further, we have sought and obtained approval from The University of Toronto Research Ethics Boards regarding the use of our household data, most notably an anonymized extract of energy consumption for the City of Toronto (Protocol 00042334, Title: Toronto Hydro Data Agreement, PI: Lu Han).

Please do not hesitate to contact me if I can provide any additional information.

Sincerely,

Christopher Timmins
