Disclosure Statement for "Fertility Decline and Missing Women"

I declare that I have no relevant or material financial interests that relate to the research described in this paper. The data collection was funded by the International Initiative for Impact Evaluation. This research was also supported by the National Science Foundation under #SES-1156941. The research protocols were approved by the Institutional Review Boards of Northwestern University and the Institute for Financial Management and Research.

A handwritten signature in black ink, appearing to read "Seema Jayachandran". The signature is fluid and cursive, with a long horizontal stroke at the end.

Seema Jayachandran
Associate Professor of Economics
