Re: Disclosure form for Todd B. Walker for the manuscript entitled: “Clearing Up the Fiscal Multiplier Morass” joint with Eric M. Leeper and Nora Traum.

Dear Editor,

This research has not received any financial support. I declare that I have no relevant or material financial interests that relate to the research described in my paper “Clearing Up the Fiscal Multiplier Morass.” I am an associate editor of the European Economic Review (compensated). I have also visited central banks and policy institutions over the past few years, for which I was compensated.

Sincerely,

A handwritten signature in black ink that reads "T.B.W.-K". The letters are stylized and connected, with a horizontal line extending from the end of the signature.
