January 24, 2019

In the co-authored manuscript that I am submitting to the American Economic Association: Papers & Proceedings, “A Cautionary Tale about Emergency Financial Assistance without Services: Evidence from a Randomized Controlled Trial Evaluation at a Community College,” the acknowledgments indicate that this research is part of a broader study that has received financial support from the Wilson Sheehan Lab for Economic Opportunities at the University of Notre Dame, the Fischer Family Foundation, the Abdul Latif Jameel Poverty Action Lab, the Arnold Foundation, the Kresge Foundation, and NIH Grant #1R21HD081399-01A1. We did not receive any other financial support for this research and I have no conflicts of interest to disclose.

Sincerely,

James X. Sullivan
