

# Disclosure Statement

**Author:** Brian Asquith

**Title:** Housing Supply Dynamics Under Rent Control: What Can Evictions Tell Us?

**Sources of Current Support:** None, except regular employment through the W.E. Upjohn Institute.

**Sources of Support Within Past 3 Years:**

1. Alfred E. Sloan Postdoctoral Fellowship through the National Bureau of Economic Research (NBER) totaling \$65,000.
2. A research grant from the Mortgage Bankers Association of America for \$20,700. Documents signed but funds not yet disbursed.

**IRB Approval**

None required for this project, because all data originate in public records. These records have no personally identifying information, with the exception of the San Francisco Superior Court unlawful detainer filings. As these filings are public records, and there are no administrative hurdles to acquiring them, the information contained therein is not regarded as private. Nonetheless, only address and cause for eviction were recorded.
