

American Economic Journals Disclosure Statement

Date: 09/17/2018

Author Name: Marco Hernandez

Manuscript Title: Casting a Wider Tax Net: Experimental Evidence from Costa Rica

Disclosure Statement: This work was conducted while the author was an economist at the World Bank and was financially supported by the World Bank. The work was conducted in collaboration with the General Directorate for Taxes in Costa Rica.

We have not obtained IRB approval, as the Government of Costa Rica requested the project within tight timelines dictated by the administrative cycle, and the project was implemented by the Government.

Marco Hernandez
