Dear Editor,

Find below my disclosures for the paper "There Is No Free House: Ethnic Patronage in a Kenyan Slum", submitted to AEJ: Applied.

I would like to report that I was employed as a Project Associate (2010-2011), and subsequently as a Project Coordinator (2011-2013) by Innovations for Poverty Action (IPA), a non-profit based in New Haven, CT, USA. Besides this position, I have no relevant financial interests that relate to the research described in this paper. In addition, neither I nor members of my family hold any positions as officer, director or board member of a relevant organization.

Please do not hesitate to contact me should you require any further information.

Sincerely,

A handwritten signature in blue ink, consisting of a series of loops and a long horizontal stroke extending to the right.
