

American Economic Journals Disclosure Statement
(Please include one for every author of the paper.)

Date: 01/29/2019

Author Name: David Dranove

Manuscript Title: “Employed for Higher Pay? How Medicare Facility Fees Affect Hospital Employment of Physicians”

Disclosure Statement:

Below are disclosure notifications for the paper referenced above which has been submitted for possible publication in the *American Economic Journal: Economic Policy*. These answers below respond to the five specific numbered questions contained in the American Economic Association disclosure document that can be found here, <https://www.aeaweb.org/journals/policies/disclosure-policy>.

1. I did not receive any financial support for my work on the paper referenced above.
2. During the past three years I have done economic analyses on behalf of the Federal Trade Commission, Department of Justice, and two state attorneys general offices. I also served as an ad hoc consultant to the American Medical Association on antitrust matters.
3. I am not an officer, director, or board member in a profit or non-profit organization that has a relevant relationship to the contents of the article referenced above.
4. None of my close relatives (a) has received any financial support for my work on the paper referenced above, (b) has received any financial support in the past three years from a party that would have a financial, ideological, or political stake in the paper referenced above, or (c) is an officer, director, or board member in a profit or non-profit organization that has a relevant relationship to the contents of the article referenced above.
5. The data provider(s) had the right to review and provide comments on this paper.
