

Disclosure statement by John Vickers

I have received no financial support for research for the paper “Discrimination Against Captive Customers”, jointly written with Mark Armstrong.

Although I do not believe that they are “interested parties” or “relevant organizations” in relation to the paper, I note that I chaired the Finance Committee of Oxford University Press until 30 September 2018, and that I have provided consultancy services to Google LLC.

No party has had the right to review, or did review, the paper prior to circulation.
