## “Gambling, Saving, and Lumpy Liquidity Needs”

Sylvan Herskowitz

To conduct his research project, I was awarded funding from the following sources:

1. National Science Foundation – Doctoral Dissertation Research Support Grant: 1530852, \$29,725
2. Center for Effective Global Action – EASST Award, \$49,676
3. Institute for Money, Technology, and Financial Inclusion, UC Irvine, \$20,000
4. Rocca Center for African Studies, UC Berkeley, \$5,000
5. AAEA – Tweeten Fellowship, \$1,000

The project had IRB approval from the University of California’s Institutional Review Board: 2014-03-6147.

The original study design was registered at the Social Science Registry: AEARCTR-0001025
