

“Evaluating the Economic Cost of Coastal Flooding”

by Klaus Desmet, Robert E. Kopp, Scott A. Kulp, David Nagy, Michael Oppenheimer, Esteban Rossi-Hansberg and Benjamin H. Strauss

Disclosure Statement for David Krisztian Nagy

The author declares that he was a PhD student at Princeton University, then a junior researcher at Centre de Recerca en Economia Internacional (Barcelona, Spain) while writing the submitted paper. He was also a research visitor at the Minneapolis Federal Reserve Bank. None of these relationships affected the research or conclusions described in this paper.
