

Disclosure Statement: Michael Dinerstein

Manuscript: Quantifying the Supply Response of Private Schools to Public Policies

Financial support for this research was provided by the Stanford Institute for Economic Policy Research through the George P. Shultz Fellowship and the E.S. Shaw and B.F. Haley Fellowship for Economics.

Data for the research comes from public sources or was provided by the New York City Department of Education (DOE). The DOE data are confidential. However, the NYC DOE has a formal application process that grants access to researchers with bona fide research proposals. The DOE has the option to review the research for disclosure of identifying information.

A handwritten signature in black ink, appearing to read "Michael Dinerstein". The signature is fluid and cursive, with the first name "Michael" and last name "Dinerstein" clearly distinguishable.
