

Disclosure Statement

I am a co-author of the paper “Market Entry, Fighting Brands and Tacit Collusion – Evidence from the French Mobile Telecommunications Market”, and declare that

1. I did not receive any financial support from an interested party for writing this paper. The same applies to my close relatives.
2. I do not hold any paid or unpaid position in any relevant organization. The same applies to my close relatives.
3. No party had the right to review this paper prior to its circulation.
4. To obtain the data, we obtained financial support from the Chair of Innovation and Regulation in Digital Services at Telecom Paris, and a Methusalem grant of KU Leuven.

The data used in this paper are proprietary, but they can be purchased by others from Kantar World Panel. If our paper is accepted, we will provide all necessary instructions on how to obtain these data. We will then also provide all programs necessary to replicate the results of our paper.
