DISCLOSURE STATEMENT: SIMON ALDER

MANUSCRIPT: "A THEORY OF STRUCTURAL CHANGE THAT CAN FIT THE DATA"

I declare that when writing this manuscript, I have received financing from the University of North Carolina at Chapel Hill, the Swiss National Bank, and the British Academy (Small Grant SRG18R1\181365). Neither the University of North Carolina at Chapel Hill, nor the Swiss National Bank, nor the British Academy have a stake in this research and cannot be considered "interested parties".

I neither hold nor have I held any paid or unpaid position in any relevant organization, i.e., one whose policy positions, goals, or financial interests relate to the manuscript.

No party has had the right to review this paper prior to its circulation.

Finally, this disclosure statement applies to my partner and all close relatives. None of them have any conflict of interest with respect to this paper. The manuscript does not involve the collection of any data on human subjects (so no IRB statement is relevant).
