

Disclosure Statement for:
“Do Environmental Regulations Affect the Decision to Export?”

The data used in this paper comes from the confidential National Pollution Release Inventory-Annual Survey of Manufactures (NPRI-ASM) dataset developed by Statistics Canada. As such, all of the results have been reviewed by Statistics Canada to ensure no confidential information is disclosed.

This project was not reviewed by an Institutional Review Board due to its focus on firms.

I declare that I have no other relevant or material financial interests that relate to the research described in this paper.
