Disclosure statement

I declare that I have no relevant or material financial interests that relate to the research described in the manuscript “Market Access and Quality Upgrading: Evidence from Four Field Experiments paper”.

I declare that I am a director in the organization (PNDK Solutions Limited) that collected field data for this paper and assisted with the intervention.

The research described in the submitted manuscript has received financial support from the Swedish Research Council (2017-05665) and Riksbankens Jubileumsfond (M16:0345:1).

The trial was approved by Makerere University School of Social Sciences Research Ethics Committee (MAKSS REC), study protocol number: MAKSS REC 08.18.207, and the Uganda National Council for Science and Technology (UNCST), registration number: SS 4765.

The study was registered at the American Economic Association Registry for Randomized Controlled Trials (registration number: AEARCTR-0002812).
