

**Subject: Disclosure Statement**

I herewith declare that I have no relevant or material financial interests that relate to the research described in the paper “Fake News, Voter Overconfidence, and the Quality of Democratic Choice” with Jean-Robert Tyran.

The research was funded by the University of Vienna and conducted at the Vienna Center for Experimental Economics (VCEE). Nobody other than the authors has had the right to review the paper prior to its circulation. The data collection reported in this paper was approved by the University of Vienna's VCEE.
