

Disclosure Statement

David J. Cooper

**Using Team Discussions to Understand Behavior  
in Indefinitely Repeated Prisoner's Dilemma Games**

David J. Cooper received support from the National Science Foundation (SES 1630194 and SES 2018690). I have received no payments from interested parties and hold no positions (officer, director, or board member) with relevant NPOs. No third party reviewed the paper prior to submission. See John Kagel's disclosure for IRB information.
