

## **Disclosure Statement**

The data used in the paper “Beyond Teachers: Estimating Individual Guidance Counselors’ Effects on Educational Attainment” are confidential. They were obtained from the Massachusetts Department of Elementary and Secondary Education and the Wake County Public School System. Both education agencies have requested to review the results of the study prior to their dissemination to ensure that student privacy is not compromised.

This research was supported, in part, by the Institute for Education Sciences, U.S. Department of Education, through grant R305B150010 to Harvard University. The opinions expressed are those of the author and do not represent the views of the Institute or the U.S. Department of Education.

This research has been approved by Institutional Review Boards at Harvard University and RAND Corporation.

Sincerely,

Christine Mulhern
