

Manuscript title: Heterogeneous Effects of Monetary Policy on Job Flows  
Across Income, Race, Gender and Age  
Date: January 11, 2024

David Wiczer has no relevant financial interest to disclose.

A handwritten signature in black ink, appearing to read "David Wiczer". The signature is written in a cursive, flowing style. The first name "David" is written in a larger, more prominent script, and the last name "Wiczer" is written in a smaller, more compact script. The signature is positioned centrally below the text of the disclosure statement.
