Uncharted Waters: Effects of Maritime Emission Regulation

I gratefully acknowledge financial support for this project from the Transportation Economics in the 21st Century Initiative of the National Bureau of Economic Research and the US Department of Transportation as well as the USDA National Institute of Food and Agriculture, Hatch project 1024474, and the Giannini Foundation of Agricultural Economics.

IRB approval was not obtained because no data on human subjects was collected. All data used in this study is not individually identifiable.
