Disclosure Statement

Contribution: Subjective Models of Workers and Managers for Macroeconomic Expectations

I have read the disclosure policy of the American Economic Association and declare that I have nothing to disclose. Funding for the project came from our own research budgets. We received ethical approval for the project from New Zealand Ethics Committee under IRB number 2022_41.

Francesco D'Acunto

Georgetown University

A handwritten signature in black ink, appearing to read 'Francesco D'Acunto', with a horizontal line extending from the end.
