Drivers of change: employment responses to the lifting of the Saudi female driving ban

I hereby declare that I have no other relevant or material financial interests that relate to the research described in this paper.

Funding support for the study was received from Uber's Masaruky Initiative, the Ministry of Human Resources and Social Development in Saudi Arabia and Harvard's Kennedy School's Evidence for Policy Design (EPOD).

Our colleagues at Alnahda Society had the right to review the paper and provide comments prior to circulation.

Our IRB protocol was approved by Campus Institutional Review Board at Duke University (protocol number 2019-0505).
