

Disclosure Statement of Richard Blundell

The author declares that he has no relevant or material financial interests that relate to the research described in this paper entitled “Labor Market Inequality and the Changing Life Cycle Profile of Male and Female Wages.” IRB approval was not requested as the data used in this project are secondary data released in the public domain by the U.S. Census Bureau and Bureau of Labor Statistics. The author thanks the ESRC Centre for the Microeconomic Analysis of Public Policy (CPP) at Institute for Fiscal Studies for funding under grant number ES/M010147/1.
