To whom it may concern,

All data used in this study ("The Effect of Field Training Officers on Police Use of Force") was obtained through public information requests filed with the Dallas Police Department. As such, these data are exempt from IRB review. We are prepared to share all data and programs if the paper is accepted for publication.

This study was funded by a generous grant from the Russell Sage Foundation to me and Matthew Ross.

Sincerely,

A handwritten signature in black ink, appearing to read "CarlyWill Sloan", is positioned below the word "Sincerely,".
