Disclosure Statement

This document is the disclosure statement for Devesh Raval and accompanies the submission of the paper “The Effect of Noncompete Enforceability on Productivity: Evidence from a New State-Level Manufacturing Dataset” to the American Economic Association Papers and Proceedings.

Funding: I have no funding sources to disclose.

Conflicts of Interest: I have no relevant or material financial interests that relate to the research described in this paper.

Prior Review: No other parties have had the right to review this paper prior to its circulation.

Institutional Review Board Approval: This study did not obtain IRB approval because it does not include any human subjects interactions or use identifiable private information.
