Julian Wright's Disclosure Statement

Manuscript title: Competitive bottlenecks and platform spillovers

I was retained on behalf of Epic Games as an independent expert in a litigation in Australia (Epic Games v. Apple), which overlapped with the period during which an earlier version of the article was written. I am no longer retained by Epic Games or have any financial interest in the outcome of that litigation. I declare that I have no other relevant or material financial interests that relate to the research described in this paper, or any other conflict of interest.
