Disclosure Statement

November 10, 2015

Financial support was provided by the Sloan Foundation Grant B2010-19 and the Toulouse Network for Information Technology.

I am the author of textbooks for elementary and middle school students that are used by some students preparing for mathematics competitions.

The paper uses anonymized data obtained under a restricted-use agreement with the Mathematics Association of America (MAA) with protocols in place to prevent identification of individual students or schools. The IRB of the University of Nebraska reviewed the release of the data to us.

No party has the right to review the paper before publication.

A handwritten signature in black ink, appearing to read 'Glenn Ellison'.
