New Haven, Connecticut 06519-1362

Disclosure Statement

July 7, 2016

I declare that I have no direct financial interests that relate to the research described in: "The Determinants of Productivity in Medical Testing: Intensity and Allocation of Care." I indirectly receive support from the Centers for Medicare and Medicaid Innovation under #1L1CMS333479-01-00 to lead the American College of Emergency Physician's Support and Alignment Network known as the Emergency Quality Network that seeks to reduce the use of CT imaging for suspected pulmonary embolism.

IRB approval was obtained from the National Bureau of Economic Research and the Massachusetts General Hospital.

The submission used data obtained under a restricted use agreement with the Centers for Medicare and Medicaid Services. No party has the right to review the paper before publication.

Sincerely,

Arjun Venkatesh MD, MBA, MHS
Assistant Professor, Department of Emergency Medicine
Director, ED Quality and Safety Research and Strategy
Co-Director, Emergency Medicine Administration Fellowship
Scientist, Center for Outcomes Research & Evaluation
Yale University School of Medicine
