To accompany the submission of the paper "Are Information Disclosure Mandates Effective? Evidence from the Credit Card Market"

### 1. Source of financial support

The research in the above-mentioned paper has not received any external financing beyond my normal salary as an economics professor at ITAM.

### 2. Other financial support

I have not received more than 10,000 over the past 3 years from any interested party. As a latin American affiliate of the Jameel Poverty Action Lab (J-PAL) I have received support to hire research asistants in excess of 10,000. I consider that J-PAL is not an interested party.

### 3. Other positions

I visited the Mexican central bank as a researcher in 2014.

### 4. Close relatives

No close relatives have an interest in this research

### 5. Right to review

No party had or has the right to review this research prior to publication. However if the paper is uploaded to the working paper series of the Mexican central bank it will have to undergo a peer-review to screen for quality.

### 6. IRB review

The project was exempted by ITAM's IRB
