

Disclosure Statement

July 10, 2015

I am writing to confirm that this paper receives financial support from the Alfred P. Sloan Foundation grant #2011-10-14. The main data used in this paper come from the inspection database that the local health department of Maricopa, Arizona posts online. Neither I nor my close relatives/partners hold any paid or non paid position in Maricopa government. I have co-founded Hazel Analytics, a private company that promotes the use of open government data, including the Maricopa data used in this paper.
