I did not receive funding from any source for this project.

During the past three years I have received outside compensation of more than \$10k from Nuna, Inc., Picwell Inc., AB Data Labs LLC, and the National Bureau of Economic Research. My work with these outside entities had no overlap, influence, or bearing on the contents of this research. I am currently a Visiting Scholar at UC-Berkeley’s Haas School of Business and Dartmouth’s Institute of Health Policy and Clinical Practice.

No party had the right to review this paper prior to circulation. IRB approval for this project was obtained through the National Bureau of Economic Research.
