

Disclosure Statement – Andy Haldane

Andrew G Haldane is the Chief Economist at the Bank of England. He is also Executive Director for Monetary Analysis, Research and Statistics. Andy is a member of the Bank's Monetary Policy Committee. He also has responsibility for research and statistics across the Bank. The research in this paper relates to the communication of the Bank of England.

Andy is a member of the Economic Council of the Royal Economic Society, a fellow of the Academy of Social Sciences, and a member of the Research and Policy Committee at Nesta. Andrew is the founder and a trustee of Pro Bono Economics, a charity which brokers economists into charitable projects, and a trustee of National Numeracy. None of these institutions exerted control over this or other research Andy has been involved in.

The author declares that he has no relevant or material financial interests that relate to the research described in this paper.
