American Economic Association Disclosure Statement regarding  
“Transparency, Reproducibility, and the Credibility of Economics Research”

The author has no conflicts of interest to declare.

No funding was provided specifically for this article. The Laura and John Arnold Foundation, John Templeton Foundation, William and Flora Hewlett Foundation, National Institutes of Health, and an anonymous donor provided grants to fund the general work of the Berkeley Initiative for Transparency in the Social Sciences (BITSS) and the author’s research in the recent past. None of this funding specifically provided for the writing of this article, nor did these funders review the article or have any influence over the decision to publish.

Sincerely,

Edward Miguel
