

**Disclosure Statement: Rema Hanna**

- This research was supported by a grant from the Australian Department of Foreign Affairs and Trade. Other research that I have conducted on related issues of anti-poverty policy design in developing countries has also been supported by the Australian Department of Foreign Affairs and Trade.
- I have conducted previous and ongoing research on anti-poverty policy design in cooperation with the Government of Indonesia. I have received no financial payments from the Government of Indonesia, but they have provided in-kind support to various research projects we have undertaken together.
- I am a co-Director of Evidence for Policy Design (EPoD) at the Harvard Kennedy School. EPoD has no stake in particular policy outcomes.
- I am also on the board of JPAL at MIT. J-PAL has no stake in the outcomes of any given evaluation results; however, J-PAL does have a position on what is considered a rigorous evaluation methodology.
- During the last year, I have served as a paid short-term consultant at the World Bank on unrelated research.
