

Disclosures, Tal Gross, “The Liquidity Sensitivity of Healthcare Consumption: Evidence from Social Security Payments”

1. Sources of financial support for the research

Research reported in this publication was supported by the National Institute on Aging of the National Institutes of Health under Award Number P30AG012810 through the National Bureau of Economic Research Center for Aging and Health Research.

2. Potentially relevant professional and financial relationships in the past 3 years:

In late 2020 and early 2021 I worked on a small consulting project for the Maryland Consumer Rights Coalition. I was compensated for a report I wrote about billing practices among Maryland hospitals.

3. Paid or unpaid positions of relevant entities.

None

4. Spousal or family-related COIs

None

5. Each author must disclose if another party had the right to review the paper prior to its circulation.

No other party had the right to review this paper prior to its circulation.

6. IRB approval

Approval was obtained from Harvard Medical School’s IRB.
