**Re: Disclosure Statement for AEJApp-2020-056 - Does Discipline Decrease Police Misconduct? Evidence from Chicago Civilian Allegations**

Dear Editor,

I declare that I have no relevant or material financial interests that relate to the research described in this paper. We did not obtain IRB approval for this project because we use a secondary public data source.

Out of an abundance of caution, I disclose that I have been retained by Law Offices of Al Hofield to provide expert opinion in matters pertaining to civil rights lawsuits against the Chicago Police Department. My work for Law Offices of Al Hofield does not rely on this article. The work produced for Law Offices of Al Hofield is presently covered by a protective order.

Sincerely,

Max Schanzenbach
