**Financial and IRB disclosure statement for the article: "When incentives backfire: Spillover effects in food choice."**

This project was supported by grants from UCSB. I hereby declare that I have no relevant or material financial interests that relate to the research described in this paper. The University of California-Santa Barbara IRB determined that this project is not regulated because I received and analyzed de-identified data.

Sincerely,

A handwritten signature in black ink, appearing to read "Heather Royer", is written over the printed name.
