

## **Disclosure Statement**

“Investing in Ex Ante Regulation: Evidence from Pharmaceutical Patent Examination”

Michael Frakes (Duke University, NBER) and Melissa Wasserman (University of Texas)

Melissa Wasserman declares that she has no financial interests in this research nor has she received any funds or benefits related to this project.

Melissa Wasserman declares that she has nothing to disclose with respect to items 2, 3, 4 and 5 of the AEA Disclosure Policies, found on <https://www.aeaweb.org/journals/policies/disclosure-policy> (relating to significant financial support).

Melissa Wasserman declares that this research did not receive approval from the University of Texas’ Institutional Review Board (IRB) as it is not considered human subjects research according to the terms of the University of Texas’ IRB’s Policies and is therefore exempt.
